Toepassing

SKYLT CONDITIONER Spray and Wipe is speciaal ontwikkeld voor plaatselijke, volstrekt residu vrije reiniging van met SKYLT behandelde oppervlakken.

Application

See also the RigoStep information sheet 'Directions for maintenance of SKYLT floors'.

- Remove dust and dirt with a vacuum cleaner, wiper or broom.
- Spray the SKYLT CONDITIONER Spray & Wipe on a pad or mop, or directly onto the floor.
- Clean the floor, rubbing the pad or mop with light pressure.
- Clean the floor moist (but never soaking wet!) and rinse and wring the pad or mop regularly.
- Rinse and wring.

Package

500 ml. Flask with atomiser.

Storage/transport

Store in a cool place in a well-closed original package. Will last till at least 2 years after production date. Store frost-free.

Safety

Safety information is on the label. Needing more, it can be found on the matching Safety Information Sheet.
